Detention: Immigration and Customs Enforcement Calculating the cost of detaining unauthorized immigrants

FY 2014
custody budget
\$2.25 billion

Immigrants
detained daily
34,000

Cost to detain
an immigrant each day
\$181.70

Average cost to detain an immigrant: **\$5,633**

Cost to detain 5 million people: \$28.1 billion

Professor García Hernández will discuss the legal justifications for confining people suspected of or confirmed to have violated immigration law, and will argue that the traditional justifications for confinement do not support confinement under this context.
